

*For me cocktails are actually an opportunity
to get away from everyday life, to treat yourself with an emotion
and a shiver that flies away,
but which you can quickly recapture and pour into a Martini*

*Per me in realtà il cocktail è un'occasione
per uscire dal quotidiano, per regalarsi un'emozione.
È come un brivido che vola via
ma che puoi riacciuffare al volo e versare in una coppa Martini*
